

Temple Inn & Suites Bountiful

Website Planning Document

Alberto Parreira Almada
WDD 230

Purpose

The purpose of this document is to present the website planning for the unity of Temple Inn & Suites, located at Bountiful/UT.

Logo

To identify the customers of hotel brands and to this unity is presenting the logo.

Site purpose

This site aims to connect members of The Church of Jesus Christ of Latter-day Saints, who are visiting the Bountiful Temple Area, and vicinity, to promote a singular hotel experience, for all family members, also the opportunity for a full-time missionary to stay in a place like home, far from home.

Site domain name

The domain proposed is www.innsuitesbountiful.com .

Target Audience

The target audience of this website is the public who is visiting the Bountiful Temple/UT, providing special services like infant care center & recreation, shuttle service for temple sessions, and for the full-time missionary the possibility to stay in a clean, safe and affordable place during the mission.

Site map

The website will be 5 pages.

Home page

Showing the logo, a menu bar, and the link for hotel social media, also shows some Bountiful Temple pictures and a button to make a room reservation (on another page).

The home page shows weather forecast conditions and weather alerts.

Temple page

This page has some Temple informations, including details about Bountiful Temple, and the other 4 Temples.

Services Information page

This page give's your customers, information about hotel services for weddings and catering, food & beverage services, infant care center & recreation activities, shuttle Temple services, and the special conditions for full-time missionaries.

Reservation page

The reservation page content is a digital form, that the customer fills to make a room reservation, showing some room pics.

Contact Us page

The contact page has some hotel information and a digital form for the customer fills for the client who needs clarification or has some question about the hotel services.

Typography

The site will use the font Merriweather-Sans, and Open-Sans.

The size fonts: 30px, 24px, 18px, 16px.

This option of fonts makes the website more readable.

Color Scheme

We will work on this project with the colors in this pallet.

The font color is black and white to contrast with the background.

The website wireframes
